LAS VEGAS, May 26, 2016 /PRNewswire/ -- Richmond American Homes of Nevada, Inc., a subsidiary of M.D.C. Holdings, Inc. (NYSE: MDC), is excited to debut its new-and-improved Home Gallery in Las Vegas. The innovative home design center recently underwent a full remodel and expansion to better serve the needs of the growing Las Vegas market.

Every buyer who builds a Richmond American home from the ground up has an opportunity to visit the builder's Home Gallery for complimentary design consultations—a service that could be costly if provided by an independent designer. Very few builders provide a resource like the Home Gallery for selecting personalization options.

At over 4,000 square feet, the recently expanded design center is nearly three times the size of the builder's previous gallery, allowing them to showcase more design selections and assist more buyers at once.

"The new Home Gallery accommodates the many buyers at our increasing number of Richmond American communities. They can view the generous included finishes in their home and dream about the hundreds of possibilities for cabinets, countertops, paint, flooring and more," said the Las Vegas Home Gallery manager.

What can homebuyers expect to find at Richmond American's redesigned Home Gallery? Three full-sized kitchen vignettes based on some of the builder's most popular floor plans, for starters.

The gallery also includes four color studios with professionally coordinated schemes for a beautiful, cohesive look that fits any style and budget. Each room also serves as a private consultation space for buyers and their design consultant, with a flat-screen monitor to review additional finishes and the final selections for their new home.

Richmond American's Home Gallery is located at 7770 Dean Martin Drive in Las Vegas. Call 877-420-1868 or visit RichmondAmerican.com for more information.
